Who We Are

Tech Mahindra represents the connected world, offering innovative and customer-centric information technology experiences, enabling Enterprises, Associates and the Society to Rise™. We are a USD billion company with professionals across 90 countries, helping 988 global customers including Fortune 500 companies. Our convergent, digital, design experiences, innovation platforms, and reusable assets connect across a number of technologies to deliver tangible business value and experiences to our stakeholders. Tech Mahindra has been recognized amongst India's 50 best companies to work for in 2020 by the Great Place to Work® Institute.

Part-Timers for our **Customer Support** roles with German or French language (NON - Voice) & without experience – Timisoara

Scope:

Customer service operations for Our client in Northern Europe. The successful candidate will require an aptitude for working to assist client users' inquiries, requests, or orders through Live Chat and Social Media channels with excellent written communication.

Responsibilities:

- Act as a single point of contact for live chat and Social Media from users regarding their orders/ queries etc. through delivering an excellent customer experience
- Delivering fast and efficient service assisting customers with their immediate needs
- Resolve problems at the first point of contact in a friendly and helpful manner and take personal accountability for the resolution of customer concerns.
- Immediately deal with or escalate suspected or recognized customer issues as per defined procedures.
- Achieving Key Performance Indicator's (KPI's) whilst maintaining excellent quality
- Adhering to the company and customer procedures, policies, confidentiality guidance, and data protection legislation
- Work independently and within a team to maximize team potential
- Communicate well with internal and external contacts
- Manage multiple assignments simultaneously without any / minimal guidance or help from seniors or peers team members
- To ensure that breaks are pre-approved by SME, Team Leader or Manager
- Promptly escalate unresolved cases to the resolution support team
- Take ownership of user problems and follow up the status of problems on behalf of the user and communicate progress in a timely manner
- To maintain a high degree of customer service for all support queries and adhere to all service management principles
- Any additional ad hoc tasks that may contribute to a better service to the client with quality or improvement to the KPI

Would be great if:

- Sales skill and experience in customer support/ customer relationship and customer service is a great fit
- Good grasp and understanding of customer engagement
- Great know-how in verbal and written communication regarding the French language (English is an advantage)
- Has a good grasp of language and can handle multiple subjects and detailed conversation in respect to customer service effectively and appropriately in demanding situations
- Computer literate with a minimum typing skill of 30 wpm with 90% accuracy
- Excellent multitasking skills and has the ability to swap to chat & social media support and various systems when needed
- Ability to express clearly and in a spontaneous manner
- Excellent comprehension skills
- Strong problem resolution skills
- Ability to function and adapt in a rapidly changing and evolving work environment
- Ability to work independently
- Excellent problem-solving skills with good interpersonal relationship-building skills.
- Ability to handle and deescalate irate customers

Requirement:

- French or German language at level B2.
- We also **hire without experience**, but we do expect the candidate to have a minimum of knowledge regarding the foreign language in scope, as mentioned above.
